Office of the Deputy Commissioner, Kolar Dist
Dated, Kolar the 9th June 1948

To

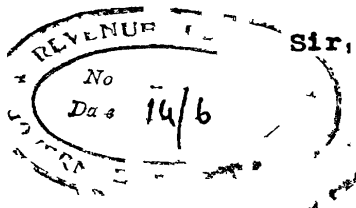
The Secretary to Government,
Revenue Department,
Bangalore.



Sir,

Revision of scales of pay of Municipal employees in Kolar District.

I have the honour to state that on scrutiny of the several proposals received from the Municipalities for the revision of scales of pay of municipal employees, I find that adequate attention has not been paid in preparing the statement. Scales of proposed pay are not similar to those sanctioned by Government for their Departments. With a view that uniform scales are obtained to Municipalities also and to facilitate interchange of officials from one department to another, I have classified the municipalities in this District under three categories basing the classification on the income of the respective municipalities and proposed draft scales of pay suitable for each class of municipality for being adopted. The scales of revised rates of pay sanctioned by Government for employees under them have been kept in view and adopted according to financial position of each municipality. A copy of my draft proposal is enclosed for kind perusal. The Presidents of Municipalities have been requested to call for a special meeting of the council and to consider the question of adopting revised scale or pay proposed for their employees and to submit proposals in a complete form before the 25th of this month. On receipt of these proposals, from the Municipalities, I will forward them for perusal and sanction.

I have, after obtaining necessary resolutions from the municipalities, permitted them in anticipation of kind sanction of Government to draw and disburse the minimum revised scale of pay proposed by them to the menial establishment entertained in the respective municipalities with effect from 1-5-1948. Only Kolar Town Municipality was permitted to pay this minimum pay to their inferior servants with effect from February 1948

I was compelled by circumstances to go ahead and order payment as the menials were persistent in their demand for giving them revised rates of pay and offered to strike work in the event that they were not paid at revised rates. To avert the consequences of a strike and in the interests of the public health and safety, It was very necessary to have recourse to this measure to pacify them. I request that my action in this behalf may kindly be approved.

I have the honour to be,
Sir,
Your most obedient servant

Deputy Commissioner
